RAILROAD SOLD

And Will Be Shipped "Lock, Stock and Barrel."

The miniature railroad which was operated between Tradewater river and town last year, has been sold to Louisville parties and will be shipped away, engine, cars, steel and all. The road has never paid, owing to the heavy expense attached to the operation of it and the promoters thought it best to dispose of it. We are sorry to lose it, as it was one of the novel attractions of Dawson Springs, but it was not good business policy to operate it at a loss.—Oracle.

"SINGIN' SKULE BEGINNIN'"

Is Coming to this City Next Week.

The young ladies of the Christian church have arranged with the directors of the funny entertainment, the "Singin' Skule Beginnin'," which has just been such a complete success in Nashville, to put it on here for the benefit of the Christian church organ fund. A large cast of local talent will take part who will be trained by the authors who will also play the two leading parts. The performance of these funny gentlemen receives the highest praise that all of the Nashville papers could bestow and the entertainment was said to be one of the best local entertainments ever presented in the city. It has been presented twice in Memphis, twice in Panucah, twice to standing room only each time, in Fulton and Mayfield to packed houses. It is said to be one of the most laughable, clean, pure and wholesome entertainments seen in our neighboring cities for a long time. It will be presented at the opera house on Friday night, June 26th, next week, and there is no doubt but it will receive as generous a reception in Hopkinsville as it has in all of the neighboring cities. The cast is being selected and rehearsals will begin at once and be carried on until the date of the performance.
